

BUILDING ON BERNIE: WHAT COMES NEXT

Bernie Sanders' presidential campaign has captured the hearts and minds of a young generation with a distinctly different message: raising the specter of democratic socialism in the U.S. while calling for a people-based "political revolution."

Join the event "Building on Bernie: What Comes Next" that we are co-organizing with the Young Democratic Socialists (YDS). Speakers from Jacobin Magazine, Students4Bernie, the Democratic Socialists of America (DSA), and RLS–NYC will discuss how all of us can work to turn the fleeting energy of Sanders' campaign into a lasting movement for change.

Friday, February 12, 7pm

MayDay Community Center, 176 St. Nicholas Ave, Brooklyn
