

## RLS-NYC AT THE WORLD SOCIAL FORUM 2016

At this year's World Social Forum (WSF) in Montreal, we help coordinate the Rosa Luxemburg Stiftung's international delegation of social movement activists from the Global South and North to discuss issues including climate change, housing, migration, media, and the digital commons.

A highlight of the program will be "Change the System, Not the Climate," a self-contained space co-organized with Alternatives Montreal, featuring eleven workshops and a major international conference with Naomi Klein, Maité Llanos, Céline Guyon, Tadzio Müller, and Clayton Thomas-Muller.
