Foundation Elects New President

The Rosa Luxemburg Foundation has elected a new president. Dagmar Enkelmann, a long-term member of the German Federal Parliament for the Left Party, follows Heinz Vietze, who served the RLF for six years. Enkelmann, along with new members of the Executive and Science Advisory Boards, was elected at the general membership meeting in Berlin in December. We thank Heinz Vietze, who recently attended our office opening, for his years of service and dedication and look forward to this new chapter in the Foundation’s leadership.
